

SALON DES REPTILES

Want to become an exhibitor?

The Salon des Reptiles remains a privileged place to bring together various resources. Our focus is on educating the general public about reptiles, amphibians, Arachnids and the importance of the following points:

- Hands on experience with the fascinating world of reptiles.
- Inform people on common and rare specimens, their origin and husbandry.
- Educate the public about responsible ownership of these pets.
- Eliminate the fear of handling and touching of certain species.
- Eliminate as possible prejudice and sensational images.

It is important to note that this show exists thanks to the ever-increasing participation of private hobbyists and businesses who want to get involved in sharing their passion with the public. Your participation in the event is greatly appreciated.

Both hobbyists and businesses are welcome to showcase at our venue.
